

Home Mover £400 Cashback Offer Guidance Notes

Note: If you are intending to submit an offer claim ensure that Phoenix Energy receives all the relevant documentation within 63 days of the meter install date. This deadline will not be extended and claims/documentation received later than 63 days after the meter has been installed or where a submitted claim remains incomplete after 63 days have lapsed, will not be processed under any circumstances.

If you wish to confirm delivery of your claim documentation to Phoenix Energy you are advised to use recorded delivery. We do not accept late claims that are 'lost in the post' without proof of postage and receipt by us.

In all cases you are advised to read the terms and conditions of the offer to ensure that you are eligible and are aware of the supporting documentation you must provide within 63 days of the meter install date.

Home Mover £400 Cashback

Terms and Conditions

1. The offer is open only to domestic property owner occupiers, not tenants or landlords that have never been connected or are not in the process of being connected to the Phoenix Energy. The registered property will have no heating or an existing central heating system fuelled by LPG, oil, solid fuel or electricity (storage heaters).
2. The property owner must install an 'A rated' natural gas condensing boiler, manufactured by Alpha, Baxi, Glow-worm, Ideal, Vaillant or Worcester Bosch, and full controls upgrade, where appropriate.
3. In these Conditions the 'Offer' means the £400 Home Movers Cashback whereby the property owner will receive £400 providing the requirements specified in these terms and conditions are fully met. The cash back will be paid against the gross price of the natural gas central heating system by Phoenix Energy ('Phoenix').
4. To qualify for the Offer claimants must first request their connection to the Phoenix Energy network after 1st April 2024 and before 30th November 2024. The claimant must also be the same signatory as on the Gas Connection Application.
5. Verbal or written connection requests to Phoenix submitted before 1st April 2024 will invalidate this offer even if the physical connection appointment has been subsequently cancelled or re-arranged by Phoenix or the property owner.
6. The property connection must be completed within 28 days of the first request date.
7. To obtain the £400 Home Mover Cashback;
 - (a) The installer must invoice the customer for the full (gross) cost of the heating installation.
 - (b) The applicant must have purchased house on or after 1st April 2023.
 - (c) The property owner must complete the claim form, which can be downloaded from our website, and attach their receipted installer invoice marked 'Paid in Full' and a confirmation letter from their solicitor of property purchase date. The documents must be sent to Phoenix Energy Customer Services for consideration.
- (d) The claim documentation must be received by Phoenix within 63 days of the actual meter install date. Claims received later than 63 days after the meter installation or where the documentation remains incomplete after 63 days will not be processed.

In the unlikely event that we need to amend or replace the Terms and Conditions of this offer an amended or replacement version of Terms and Conditions will be posted on the Phoenix website <https://phoenixenergy.com/get-connected/current-offers> page for the duration of the original incentive period. This should be referenced prior to progressing with the connection request.
8. This offer can be used with the 'Free connection to a Natural Gas Meter Offer'. The offer cannot be used in conjunction with any other Phoenix offer, Northern Ireland Sustainable Energy Programme (NISEP) central heating grant or Affordable Warmth grant scheme.
9. Property owners will only be able claim the £400 Home Mover Cashback if they employ a Gas Safe registered company who are also registered with Phoenix to offer this incentive to undertake the full installation of the heating system including the provision of all relevant materials. A full list of Gas Safe registered installers can be found at www.phoenixenergy.com/get-connected/find-an-installer
10. Phoenix will not accept liability for any equipment installed or quality of work performed by any installer. Any agreement made, even with regards the acceptance of this Offer is between the property owner and their installer, including any financial transactions.
11. Phoenix Energy accepts no responsibility for any claims that are lost, damaged, delayed or mislaid howsoever caused.
